

Scholarship Application Information

Assyrians Without Borders is a Swedish non-profit organisation devoted to improving the lives of the Assyrian people (also known as Syriacs and Chaldeans) in their countries of origin (Turkey, Iraq, Iran, Syria and Lebanon). Assyrians Without Borders conducts an independent activity and is politically and religiously unbound.

It is a well-known fact that education is one of the most essential factors that contribute to the well-being of an individual. This is more evident in the Middle East than in the Western world where conditions are different. As a result, Assyrians Without Borders regards the financial assistance of Assyrian students in their countries of origin as a constructive and necessary form of support, one that will help each of them secure a successful future.

The criteria to apply for Assyrians Without Borders scholarships are that the applicant:

- A) Is Assyrian (as defined above)
- B) Lives in Turkey, Iraq, Iran, Syria or Lebanon
- C) Is admitted to university studies

Awards are made at the discretion of the Scholarship Committee based on the availability of funds and the final decision is taken by the board of Assyrians Without Borders. If granted a scholarship, you will receive all funds after the decisions are finalised.

Please read the instructions carefully and submit a complete application. Scholarship awards will be based on your application, personal essay, goals, honours/activities, letter of recommendation and financial need.
